### PROJECTS

#### Unifiled Service Provider System

The Madura College (PG)

4 Months

Many websites focuses on a single service, making it hard to access multiple services at once. Accessing multiple services on a single website is often considered as challenging. However, our website is designed to allow users to access multiple services simultaneously, providing a seamless and efficient experience one platform.

#### Online Quiz Application

Saraswathi Narayanan College (UG)

4 Months

The Online Quiz Application using Java Servlets and MySQL is a web-based platform for conducting quizzes efficiently. It allows users to register, log in, and attempt quizzes while administrators can create and manage quiz content. The system features timer-based quizzes, randomized questions, instant result calculation, and performance tracking.

I hereby declare that all the details furnished here are true to the best of my knowledge and belief.
